Description

Organic Extra Virgin Olive Oil

Olive Oil Production: Organic olive juice obtained from the first cold pressed, from organic olive cultivation, very low in acidity and peroxides. We recommend its use for both sauteed and fried and is also excellent to enjoy toasts and salads.

Variety and Origin: Picual - DO Sierra Magina. Andalusia Quality Certification and Protected Denomination of Origin. Certified Organic by the ASAC (Andalusian Committee for Organic Farming)

Tasting Notes: Green olive, with the typical appearance of turbid unfiltered oils. Is very fruity, with hints of fresh cut grass and fig lesser intensity, it is persistent and harmonious. Presents great character and personality, its bitterness is medium and also itching. The aftertaste feeling tastes of fresh lettuce leaves and chlorophyll with vague memories of bitterness.

Other information: Acidity 0.12° / index peroxides 4,5

Awards:

Silver Ecotrama 2014

1st Prize Designation of Origin, Prize 'OWL' for 6 consecutive years,

2º prize award 'ALCUZA'

Health Benefits: Olive Organic growing together with its low acidity and peroxides make extra virgin attributes and qualities have very positive preventive health protection as heartburn, ulcers and gastritis, regulates bowel movements, reduces cholesterol, protects against skin diseases, cardiovascular and positively cooperates with the bone formation.
